FAIR DAY SATURDAY

MAKE IT A DATE — AUGUST 24TH. FOR FUN & GAMES

Don't miss out on this one. There will be something of interest for everyone this year at the Minden Fair.

We mentioned the PARADE in last week's paper and we hope that by now you are busy getting an entry ready for that.

A splendid stage show has been arranged and besides the bountiful music of the Lindsay Kinsmen Band there's Nicol Brown an Accordionist; Doreen Hayes (Miss Diamond Lil); Flash Parnell, "Mister Dance Man"; and Harold Bee, a Novelty Acrobat, and once again we present Vince Mountford M.C.

Then there is a chance for prizes, those daring ladies who

swing the hammers, those folks who almost make the old violin talk and the rollicking step dancers who put everything into their own type of a jig. Once again the horseshoe pits will be a centre of activity. The Amateur Contest has also become an interesting feature of the Fair.

But be on hand folks around the stage at about 4.00 p.m. for THE BEAUTY CONTEST, — it is one we are sure you will never forget: Men Dressed As Women, Man O' Man. So men get plans made, think of what your fashion is going to be, AN evening dress?, A bathing suit, or just a good old house dress? There is make-up to think about and shoes

and you really could remember to put curlers in your hair August 23rd. So get cracking on this one eh?

The SPECIAL PRIZE LIST is now available and there are some new and challenging entries there with splendid prizes.

STUDENTS TO EXHIBIT

WORK IN AUGUST

An Exhibit featuring the work of the students of the Haliburton School of Fine Arts will be held August 26 to 31, it was announced today by Mrs. Elizabeth Hobden, President of the Management Committee of the Haliburton Guild of Fine Arts.

Mrs. Hobden said the Exhibit will feature the work of local and area children who participated in the 'extremely successful' course titled "Introduction to Arts", one of the several programs offered for the first time this year by the Haliburton School.

Also, the work of adult students will be shown, including examples of Ceramics Weaving, Painting and Linocut.

Explaining the purpose of the Exhibit, Mrs. Hobden said it seemed an 'excellent opportunity' to allow people to acquaint themselves with the work of the School, if they have not already done so, and to give the students some recognition for their achievements.

HIGHWAY 35 ASSOCIATION NEEDS HELP

President of Scenic Highway 35 Association Bob Harvie Jr. told the Progress this week that a larger membership in the Association is needed.

The Association lowered its membership fees to \$5.00 in the Spring. This money is needed to keep the Scenic Highway 35 signs with the Raccoon on top in good repair, along with rental and permit fees up to date.

It is felt by many that these signs do a good job in advertising Highway 35 and shouldn't go to rack and ruin along the highway.

You can send your \$5.00 membership fee to Mrs. Mildred Archer Secretary, of Matchanick Inn RR 2 Minden.

MINDEN T.S.A. REPORTS NEW FALL PROGRAMME

This fall at the Minden Public School, two new programmes will be initiated, according to Board officials.

The first being a full gym programme under the direction of Miss Mahone, who is a qualified gym teacher. This is a "first" for Haliburton County.

The second will be the opening of a Kindergarten, with a full programme at the junior school, under Mrs. Gorrie who is a qualified kindergarten specialist. There will be both morning and afternoon classes.

The staff changes at the Lutherworth School, where units 1-8 are taught are as follows: Principal, Mrs. E. Lidster; Staff — Mrs. Welch and Miss Keller.

At the Archie Stouffer School science, mathematics, special English, Music and History will be taught on the rotary system, in grades 7 and 8.

The principal will be Mr. H. Morgan, who with Mrs. Herlihey will teach grade 8. Mr. Burley will also teach grade 8.

Mrs. Hilda McCarey and Mrs. J. Cox will teach grade 7. The above five teachers, teach on the rotary system.

Mrs. H. MacKay will teach French in grades 7 and 8.

Mr. Pollard and Miss Pelton will teach grade 6.

Mrs. Warder will be in charge of the Special Education Class.

At the Junior School, Mr. H. Higgins will be assistant to the principal. He will teach grade 5 and special grade 6.

The staff in the Junior School, is as follows: Miss McArthur grade 5; Mrs. Hicks grade 4; Miss Hirstwood unit 7 and grade 4; Mrs. C. Brown units 7, 8 and 9; Mrs. Elstone units 4, 5 and 6.

The teachers under the Minden T.S.A. received a raise of \$300 this year, as well as the annual increment of \$300. The starting salary is now \$4,600.

Another big first for Haliburton County, here at the Minden Central School will be the erection of a Library Resource Centre, along with two classrooms. The sod should be turned early this fall.

The library centre will consist of the latest facilities, books, film strips, discussion areas, open type teaching areas, and both audio and visual areas. This is the new concept in 20th Century education and a most essential room.

With all classrooms occupied lunch rooms are again impossible. Perhaps in the 1970's a central cafeteria and an indoor swimming pool may be seen at the Minden Central School.

COUNCIL AGREES ON TERMS FOR NEW MUNICIPAL DUMP

On Wednesday, August 14th., Council of Anson, Hindon and Minden met and agreed on terms for the property lease of ten acres of land for a municipal dump.

The dump is now in operation and is situated on the Scotch Line between Highway 35 and the Bobcaygeon Road.

The property is that of Robert Kernohan of Minden, being part of Lot 10 Con. A. Council agreed to rent of \$125.00 yearly in advance.

Motions were carried to pay municipal accounts totalling \$15,893.59. These consist of Municipal accounts in the total amount of \$9,205.91 and Road accounts in the amount of \$6,687.68.

It was moved by Roy Windover that council purchase 10-15 inch culverts 20 feet long, 16 gauge for the purpose of driveways entering into Township roads subject to the approval of the District Engineers; these to be purchased from Pedlar People Ltd. at \$2.06 per foot.

Moved by Roy Windover that the Municipality direct the Ontario Water Resources Commission to undertake and supervise the rehabilitating of the old No. 1 well of the Minden Water System; the cost of rehabilitating not to exceed \$3,000.

Moved by M. S. Vasey that the council purchase from Mrs. Angles L. Martin of 644 Ridge St. Lake North, Florida one acre of

unpatented land in the south west corner of Lot 7 Con. A., Township to Minden, not to exceed \$125.00, subject to a quit claim deed.

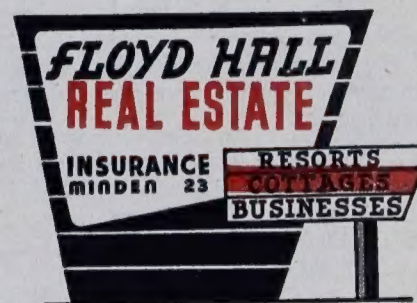

Moved by Reg. Booth that Mrs. Angles Martin be allowed to purchase the lot property, now presently owned by the Municipality as per tax arrears certificate No 635 for the total sum of taxes to date, plus any and all accrued costs, fees and interest to date, subject to approval of Department of Municipal Affairs.

Moved by Roy Windover that the Municipality write to the Department of Lands and Forests requesting that the Chief Ranger accompany the road Superintendent to try to establish a place for a municipal dump on the Bobcaygeon Road north of Minden. This dump would be primarily for the Brady's Lake Cottagers.

GIRL INJURED

A 19-year-old Toronto girl, Valery Toy, sustained lacerations in a two-car crash Saturday morning in Haliburton which resulted in \$1,300 total damage.

Police said the girl was a passenger in a car driven by Larry Carl Sawyer, 21, of West Guilford. Driver of the other car involved was Joseph Williams, 18, of Niagara Falls, Ont., said police. Minden OPP Constable K. M. Legge investigated.

HERE AND THERE

by FENWICK FINCH

What do baby's "disposable diapers" and "Department of Highways roadside tables" have in common? Quite a bit when you think that one is almost directly responsible for the closing of the other. Well, not altogether responsible, but partly.

Let's go back to the beginning. The Highlands of Haliburton, as well as other resort areas face the same problem — no place for the motoring public to stop and relax. In the "good old days" the family could pack a basket and jump into the car and stop almost anywhere at a lakeside park and enjoy a picnic. Not anymore. With lakeshore property rapidly becoming a premium there's no place left for the transient.

The Department of Highways have been spending a lot of time and money fixing up roadside spots with tables, fireplaces and comfort stations. These places have been appreciated and now, the Department is closing them up. You'll be surprised at the reason.

These roadside places are being closed as a result of what could be said to be a too successful programme. The campaign to stop the "litterbugs" has been so successful that the highways aren't as littered as they were but a new menace has arisen — "the clutter-bug". The "clutter-bug" instead of throwing his garbage around now brings it to the roadside picnic spots and leaves it there.

We used to have a nice spot on Highway 35 about three miles north of Minden near Gainor's Hill. It was beautiful, cool and refreshing and a lovely view of the lake. No more, this spot was fenced off and the tables removed and the fireplace broken up — why? Simply because the people in their zeal kept piling up the area with their garbage. A week ago last Monday two truckloads of garbage were taken from this little camp. Other camps have the same problem — the next site to go will be the one at "Moore Falls" unless the public dispose of their garbage somewhere else.

Now, it seems, these disposable diapers cause quite a problem because the mothers stretch the young'ns out on the table and whip the diaper off them with either hand and let them fly into any of the four points of the compass — this is why if you want to upset an employee of the Department of Highways — ask him what he thinks of "disposable diapers".

It is to be hoped that the motoring public will realize each area in which their cottages have a community dump — use it — if no dump is handy, a deep hole dug at the back of the property will contain loads of stuff you can't burn. Let's leave our garbage where it belongs so that others may enjoy the roadside tables.

With all this talk of cocktail lounges etc. it only seems fitting that we should have a saloon in the Highlands. This saloon is located just west of "Lil Cowpoke Corral" operated by the Brig-a-Doon riding ranch. The name — "Sasparill Saloon and Trading Post."

Drop in, you'll enjoy it.

The next time you go through Fenelon Falls take a look at the new "Gazette" office. Finished in a bluish-gray top and brilliant white bottom it is eye-catching. The owner of the Gazette — Kenneth T. Robson, purchased the old public school and have made it a credit to the community. Slow down when you go through Fenelon Falls and you'll see what I mean.

Untill next week — drive carefully — it's still two weeks to the Long week-end" hang around until then and see if you can get through "Labour Day" with no problems.

Fenwick

Wedding

Jackson - Sorensen

St. Andrew's United Church, Mather, Manitoba, was the scene of a double-ring ceremony on Saturday, July 20th, 1968, when Karen Irene, only daughter of Mr. and Mrs. Aage Sorensen became the bride of Timothy Ray Jackson, only son of Mr. and Mrs. W. M. Jackson of Minden, Ontario.

Mr. L. Hutton of Baldur, Man. officiated. The wedding music was played by Mrs. M. Bere. Mrs. A. Sutherland and Mrs. G. Lamb sang "O Perfect Love" before the ceremony and "The Wedding Prayer" during the signing of the register.

Given in marriage by her father, the bride looked radiant in a floor length Princess line gown of sataneau fabric with a slightly scooped Sabrina neckline. The short scalloped sleeves and front of gown were fashioned with pearls and appliques of Bourbon lace from France. A full detachable train featuring appliques of lace swept from the shoulder at the back, her scalloped edged bouffant veil of English silk illusion was held with a cornet of aurora borealis and pearls. The bride carried an English Bridal bouquet of pink Sweetheart roses and ivy, centered with two white gardenias.

Miss Joanne Jackson, sister of the groom, was maid of honor with Mrs. G. De Caire and Miss Lynda Mullin as bridesmaids. They wore identical floor length gowns of pink crepe featuring Empire waistline with matching satapeau shoes. Their hair was adorned with white Shasta daisies and they carried crescents of white Shasta daisies and ivy.

The best man was Mr. Michael Jackson of Minden, Ontario, cousin of the groom. The guests were ushered by Mr. William Ford and Mr. Terry Ford, of Winnipeg, cousins of the bride.

For her daughter's wedding Mrs. Sorensen chose a pink linen dress with matching lace coat and pink hat. Her accessories were white and she wore a corsage of white cymbidium orchids.

Mrs. Jackson, mother of the groom, chose a deep yellow shantung ensemble with matching hat and shoes. Her corsage was of white cymbidium orchids.

Mrs. T. Sorensen, grandmother

of the bride wore a blue ensemble with a corsage of white gypsophila centered with a pink gardenia.

The reception was held in Mather Community Hall With Mr. Gordon Sorensen of Wawanesa, Manitoba proposing the toast to the bride. The bride's cousin Miss Debra Sorensen was in charge of the guest book.

Following the reception, music for dancing was supplied by Mr. Watt Robertson and his orchestra of Cartwright.

For her honeymoon to Northern Manitoba, the bride chose a white linen sheath with matching gray and white striped coat. Her accessories were white and she wore a corsage of deep red Garnet rosebuds, centered with a white gardenia.

Out of town guests were from Minden, Ontario, Kamloops, B.C. Elfrs, Saskatchewan, Wynyard, Saskatchewan, Brandon, Wawanesa, Boissevain Killarney, Cartwright, Clearwater, Pilot Mound and Winnipeg.

Mr. and Mrs. Timothy Jackson will reside in North Bay, Ontario.

BIRTH NOTICE

Mr. and Mrs. Keith Brown are happy to announce the arrival of a daughter, Tracy Ann, on August 9th, 1968 at Scarboro General Hospital, Scarboro, Ontario. A sister for Dan.

OUR HOLIDAY JUNKET

Our holiday swing through Bruce Peninsula, Manitoulin Islands, Sudbury, North Bay and back to the Highlands is over. The weather was beautiful (no rain at all) the scenery different, the accommodation and food excellent.

Norm Craig at the Chamber of Commerce Booth here will probably be somewhat upset when he finds out we went out of the county for our vacation. Norm, however, will be pleased to know that our Information Booth here is more complete as for folders, maps, etc., than any we visited. Most of the Booths — and we dropped into them all, were attended by a young student, who couldn't give very complete detail of the area, and the information we were looking for. Maps, folders, brochures and literature on accommodation was scarce. The printers should get out of their easy chairs, and start filling information centres.

Talking about printers, we visited every newspaper, in towns that had one, on our trip and came home feeling quite proud of the Progress. Most towns and I am talking of places such as Wiarton, Tobermory, Little Current, Espanola, Copper Cliff, Burk's Falls, Powassan, had some of the poorest papers I have ever seen, for towns to their size. Only the Sturgeon Falls La Tribune, which is a new paper started in January, in a town of 5,600 can compare with good weekly standards. Even this community can only boast of an office, for their paper is published in Kapuskasing, some 300 miles to the North. This seems to be a commodity today, most of these small weeklies are of tabloid size (3 inches longer and 1 inch wider than the Progress) printed by the Off-set method and published in a larger centre. We found out, through talking to different publishers, that this is an easy method of publishing a newspaper, but not very profitable. The money leaves the community and goes into the hands of the printer. One thing was very prominent in all of these small town issues — advertisers still feel the local newspaper was the best means to invest their money to gain bigger profits.

Another thing on our trip we noticed, were the good roads in every district we travelled, and it was because of these roads that each district was overflowing with tourists and industry I was amazed at the small industries sprinkled through these remote regions. Our highway 35 is now under construction — and we might say, it is not coming too soon. How do we get that stretch of road from Dwight to Dorset made over? It is for sure, Muskoka will never put this stretch into good condition, unless we apply the pressure. Our county council should take a long look at that stretch of road and get their requests into the right departments.

One thing no one can take from this county is its beauty — Haliburton still ranks at the top of the list for natural scenery. We are glad to be back.

DOLLARS AND GOOD SENSE

by William J. Martin

This column is a regular weekly feature prepared by the Family Financial Counselling Service of the Avco Delta Corporation, P. O. Box 2820, London, Ontario. All questions submitted to the above address will be answered, in print or by return mail. Names will not be used in print. However, all questions should be accompanied by a complete name and address.

Dear Sir: I had a pretty good budget worked up. We even had a little bit set aside for savings. Then my company started taking out of my wages for a retirement fund. I pay half and the company pays half. Now my budget is all out of kilter again. Where do I reduce to make up for the loss of income?

M.E.M.

You suffered no loss of income, my friend. The simple thing to do is to reduce your savings by the amount you are contributing to your company's retirement fund, for that contribution is actually savings in itself. So is the amount you put into insurance, and if you are buying a home, so is the amount of your mortgage payment that is applied to the principal.

However, if you really want to make yourself feel good, see if you can't cut down a little here and a little there — say, on enter-

tainment and maybe food — and keep the savings account growing — along with your retirement fund. Try it that way for a month or two and if it doesn't prove convenient you can always cut back on your savings. If it does work out, you're just that much better off.

Ontario Municipal Board

IN THE MATTER OF Section 30

of The Planning Act (R.S.O. 1960, c. 296)

— and —

IN THE MATTER OF an application by The Corporation of the Township of Anson, Hindon and Minden for approval of its Restricted Area By-law 14-67 passed the 12th day of April, 1967 as amended by By-law 16-68 passed the 17th day of May, 1968.

Appointment For Hearing

THE ONTARIO MUNICIPAL BOARD hereby appoints Thursday, the 29th day of August, 1968, at the hour of eleven o'clock in the forenoon (local time) at the Council Chambers, in the Township of Anson, Hindon and Minden (at Minden), for the hearing of all parties interested in supporting or opposing this application.

DATED at Toronto this 9th day of August, 1968.

R. SCOTT, Secretary.

LETTER TO THE EDITOR

48 Margaret Ave. S.,
Waterloo, Ontario,
August 13, 1968.

Dear Sir:

Have you taken a look at the road construction going on at Hall's Lake, 35 Highway?

The engineers who determined the road levels certainly have not taken into consideration the property owners in any way, shape or form.

I see property on the west side of the highway at the Esso Service Station, six to ten feet below the road level and property on the east side of the highway property frontage of no value whatsoever.

I think the County officials should step in before it is too late and change the road to the proper level and save everyone concerned from a great loss.

Whoever has been at fault should admit their mistake and correct this problem now before it gets further out of hand and also take a long look at the balance of construction to be carried out before more errors are committed.

Very truly yours,

H. F. Scott

(A disturbed tax payer at

Hall's Lake.)

HALIBURTON BOOK

SELLING WELL

"In Quest of Yesterday", a history of the Haliburton Highlands by Nila Reynolds, printed this year by the provisional county of Haliburton council and distributed throughout the Haliburton Chamber of Commerce may have to have additional printings.

Norman Craig, secretary-manager of the Haliburton C of C said Friday sale of the book is going better than had been expected and there may have to be a reprint before the end of the year. He said 2,500 copies were produced in the first printing.

TENDERS

Sealed tenders will be received until 5 p.m., E.D.S.T., on Friday, September 6th., 1968, to re-build a 20 foot top Road, a distance of approximately 1½ miles to Bear Lake, in Livingstone Township. Road to be ditched, graded and pit run gravel applied to a minimum depth of 6 inches, subject to the inspection and approval of the Township. Road to be completed by November 1st., 1968. Lowest or any tender not necessarily accepted. Address letters to 'Tender', in care of Hazel W. Sears, Clerk, Dorset, Ontario.

Hazel W. Sears, Clerk-Treas.,
Townships of Sherborne, Mc-
Clintock and Livingstone,
Box 35, Dorset, Ontario.

ROSS HICKS WINS BEAVERBROOK GOLF TOURNAMENT HERE

Some 43 golfers teed off on Sunday, August 11th, at the Beaverbrook Golf Course in Minden, in quest of the Silverware. This was the Third Annual Tournament, Scotty LaRue of Haliburton was defending champion winning the event the first two years.

It was a tough match with Ross Hicks, of Minden, Larry Rosenberg and Rex Boice of Haliburton tying for top honours with a net score of 72.

A playoff was held and Ross Hicks of Minden under great pressure won the tournament on the first hole. Ross had carded an 85 gross score with a handicap of 13.

Taking top honours for low gross was Ken Rosenberg of Haliburton, with a sizzling score of 72. Finishing second was Bob Hunter, 77 and Roy Lynn third with 80.

RED CROSS SERVES YOU
EVERY STEP OF THE WAY

THE SPORTS FRONT

With Al Sharkey

Well the Irondale Flyers were finally put out of the semi finals by Minden in six close games. Now we find ourselves in a tight series with Haliburton.

MINDEN 6 HALIBURTON 5.

Last Tuesday night in Haliburton the first game of the finals were played. The Minden ball club coming from behind to win 6-5. Haven Cook took Haliburton's first loss of the season against us, while Dave Sawyer continued pitching winning ball. Dave Dollo one of the best catchers in the league held his own behind the plate as well as up in the batters box. Jack Snell filling in for Norm Craig at first base also played fine ball. This was one game the Haliburton team will remember.

MINDEN 4 HALIBURTON 3.

Sunday August 18 here in Minden the second game was played. Both teams played heads-up ball throughout the game. Minden finally came through scoring the winning run in the bottom of the seventh.

Gary McKnight pitched 7 1/2 innings of good ball keeping our team down three apiece.

Haven Cook then relieved Gary in the bottom of the seventh as Minden started to push. It was then our boys succeeded in breaking the tie, thus going two games in front. Dave Sawyer again took the win. Dave seems to like pitching in extreme heat. If this effects him, I certainly hope we have some more hot weather. Umpire and chief Doug Heath should be commended for his 'cool' throughout the game, keeping everything under control.

At this time the people of Minden are well wondering what other expressions Dave Hiltz of Haliburton is thinking up.

HALIBURTON 5 MINDEN 3.

This game was a real thriller. Haliburton however deserved to win with some fine pitching from Cook who was credited with the win and Dave Sawyers was the loser. The series stands now at 2-1 Minden.

The fourth game will be played on Sunday evening, August 25th here in Minden. Game time 6.30 p.m.

Tuesday August 13 in Snowdon, our girls did a fine job in trimming or should I say whitewashing the Snowdon team 27-1 with Opal Crowe taking the win, and Audrey Vick being the losing pitcher.

The Minden Maidens broke their winning streak as they lost to Bobcaygeon Monday night. After playing seven innings the ball game was all tied up, so an extra inning was played, with Bobcaygeon coming out with a win. Linda Hartin pitched a good game for Bobcaygeon while Opal Crowe was the losing pitcher.

In Pee-Wee Ball our Voyager team got knocked out of the playoffs by Snowdon 14-4 in Snowdon last Wednesday night. Also our Centennial team, who are still in the running got beat 13-11 by Haliburton Sunday afternoon in Haliburton Ted Vasey taking the loss while Mark Schell took the win.

ROTARY CORNER

Just a reminder to all the visitors in the area, the Rotary Club of Minden hold Bingo every Thursday starting at 8.00 p.m. sharp in the Community Centre here in Minden.

The Jackpot is \$450.00, the last winner of the Jackpot was Mrs. William Baker of Haliburton.

The Club had a very interesting speaker in Mr. Jim Nicholls on Monday evening. Mr. Nicholls is a retired newspaper writer, and at present is building a cottage here in the Highlands. Jim

has worked for many papers, but was retired from the Toronto Daily Star.

He told the club of some of his many interesting experiences as a reporter and feature writer. Through his work he travelled to many countries and covered a host of top news stories.

The programme chairman for the Month of August Fraser Johnston, has another interesting speaker lined up for the Club next week. Mr. Bill Shaw, a CBC Producer will fill the bill. Mr. Shaw has just recently completed a Safari in Africa.

INAUGURAL MEETING OF BOARD OF GOVERNORS OF SIR SANDFORD FLEMING COLLEGE PETERBORO

Mr. Henry Nokes of Peterborough was elected chairman of the new Board of Governors of Sir Sandford Fleming College at a special inaugural meeting held Thursday night, August 15, in Peterborough.

R. J. Curry of Haliburton and H. C. Gibson of Cobourg were elected Vice-Chairmen.

The inaugural meeting was presided over by William F. McMullen, a member of the Ontario Council of Regents and a resident of Peterborough.

Norman A. Sisco, Director of the Department of Education's Applied Arts and Technology branch told the board that Sir Sandford Fleming and other new community colleges have more than fulfilled the department's hopes of Reg-

genis conducted a draw for terms of office for the new board.

One year terms drawn by the Hon. Leslie M. Frost, Lindsay; Mr. Joseph Holtom, Lindsay; and Trent President T. H. B. Symons.

Two year terms went to Charles Brandon, Minden; W. C. Grant of Lakeland and Mrs. Barbara Truax of Lindsay.

R. J. Curry of Haliburton, Henry Nokes of Peterborough and A. M. Hamilton will serve on the board for three years.

Mrs. Charles Ray of Peterborough, Mr. H. C. Gibson of Cobourg and the yet unnamed representative of the city of Peterborough drew four year terms.

Turn Signals: Four-way flashers may be used to indicate a disabled vehicle or emergency situation. Turn signals must not be used for this purpose and should be used only when the motorist intends to turn, change lanes or move from a parked position. Effective

made fit, plates can be obtained by producing a certificate of mechanical fitness. Effective November 1, 1968.

A dealer must now surrender the licence plates of a used motor vehicle to the Department at the time of the sale unless he is able to give the buyer a

COUNTRY HOLIDAY BROADCASTS FROM LINDSAY

The best of Nashville, Tenn., joins the best of Canada's country and western talent when Country Holiday is broadcast from the Academy Theatre, Lindsay, Ontario on the CBC radio network, Saturdays.

Headlining the show for this fifth season is Canada's country gentleman, Tommy Hunter, with the Rhythm Pals, fiddler Al Cherny and singer-guitarist Jim Pirie (all of CBC-TV's The Tommy Hunter Show).

Country Holiday is taped each Friday evening preceding the broadcast date and long before showtime townspeople and vacationers are lining up outside the Academy Theatre. Such is their enthusiasm that there's scarcely ever an empty seat — an indication of the show's continuing popularity.

Guests slated to appear during the season are Tex Ritter, George Hamilton IV, Wilma Lee and Stony Cooper, Bill Anderson, Leroy Van Dyke, Gordie Tapp as 'Cousin Clem', Alex 'Ragtime' Read, and this year's fiddle champion from the Old Time Fiddlers' Contest held in Shelburne, Ont.

The first eight programs (series started July 6) will originate from Lindsay. The final five will come from: Kelowna, B.C., with the Allan Sisters, Spade Neilsen and Marilyn Jurvell (Aug. 31); Ormstown, Quebec, from the 1968 Ormstown Exhibition with Mac Wiseman, Red Smiley and the Bluegrass Cut-ups, Crazy Elmer, Bobby Hill and his Canadian Country Boys, Jean Carigan (featured instrumentalist with Les Feux Follets), singer Linda Lou, guitarist Doug Trineer, and Ron Scott, the Tamarack Swamps philosopher and 'blue grass' vocalist (Sept. 7); Brandon, Manitoba (Sept. 14); Flin Flon, Man., (Sept. 21). The final show will be broadcast Sept. 28.

District Forester

HUNTER SAFETY EXAMINATION

Examinations for hunting licences will be held in the Provincial Government Building, 322 Kent Street West, Lindsay, on August 30, 1968, commencing at 9.00 a.m. Examinations are by appointment only.

Applications may be picked up at the above-mentioned office.

COUSIN BILL

COUSIN BILL Bessey is host each Saturday of Country Holiday, which originates from Canada's "Little Nashville", the town of Lindsay, Ontario. Now in its fifth season, this popular CBC radio show, starring Tommy Hunter, The Rhythm Pals, Al Cherney and Jim Pirie, presents top country and western stars from Nashville, Tennessee and Canada.

NOTICE

TOWNSHIP OF LUTTERWORTH

The following lands are now up for tender —
Part of Lot 12, Concession 3, approximately 2 acres.
North half of Lot 15, Concession 5, approximately 49 acres.
Lot 6, Concession 5, approximately 100 acres.
Tenders to be in the hands of the clerk by September 4th, 1968.

Mrs. E. Burke, Clerk-Treas.

must not be used for this purpose and should be used only when the motorist intends to turn, change lanes or move from a parked position. Effective September 1, 1968.

Flashing Green Signal Lights permit exclusive left turns as well as permitting traffic to turn right or proceed straight through while conflicting traffic at the intersection is stopped. Effective September 1, 1968.

Pedestrians must not cross the street on a flashing green traffic light except where pedestrian "Walk" signals are displayed. Then they should obey signals. Effective September 1, 1968.

Riding in House or Boat Trailers is prohibited. Effective September 1, 1968.

Walking on Highways with speed limits of 50 mph or higher may be prohibited by municipal by-laws. Effective immediately.

Attaching Oneself to a Moving Vehicle is prohibited. Effective September 1, 1968.

Licence Suspension up to 30 days for speeding 30 mph or more over the limit is now at the discretion of the convicting magistrate. Effective immediately.

A Resident of Another Province of Canada who drives in Ontario must have a valid driver's licence issued by his province. Such driver must obtain an Ontario licence upon becoming an Ontario resident and surrender his current driver's licence issued by such other province. Effective immediately.

Used Motor Vehicles: Private Sales: Unless the new owner of a used motor vehicle can produce a certificate of mechanical fitness to the Ontario Department of Transport (notice of a sale or transfer must be given within six days) he must surrender the plates and an Unfit Vehicle Permit will be issued. After the vehicle has been

A dealer must now surrender the licence plates of a used motor vehicle to the Department at the time of the sale unless he is able to give the buyer a certificate of mechanical fitness or unless he is selling to another dealer. **Farm Tractors**, self-propelled farm implements and any vehicle being pulled by either of them must carry a "Slow moving vehicle" sign of a specified design when operating on the highway. Effective September 1, 1968.

Wider Vehicles and Loads. The permissible width limit of 96" has been increased to 102". Effective immediately.

Motorcycle Helmets that meet specified standards must be worn by operators and passengers. Effective September 1, 1968.

Certain Municipalities may Exempt Themselves by By-Law from School Bus Regulation requiring operators to flash red signal lights when stopped to pick up or discharge passengers where the speed limit is over 35 mph (Metropolitan Toronto and satellites, Metropolitan Ottawa and satellites, London, Windsor and Hamilton).

In municipalities that pass such a by-law, school buses will not flash red signal lights and other traffic will not be required to stop. Effective immediately.

Motorized Snow Vehicles will be regulated by special legislation.

For more information, write to:
**ONTARIO DEPARTMENT
OF TRANSPORT**

Hon. Irwin Haskett, Minister.

9:00 a.m. Examinations are by appointment only.

Applications may be picked up at the above-mentioned office. A fee of \$3.00 is required at the time of the examination. All persons 15 years of age must present proof of age at time of examination. Persons under 20 years of age must present proof of having taken a hunter safety training course.

A hunter safety training course is being held in Lindsay, August 26, 27, and 28 at 7:00 p.m., at the Provincial Building, 322 Kent Street West, Lindsay. Persons wishing to take this course must register by telephone or in person at the Lands and Forests Office or by telephoning 324-6121 on or before August 26th, 1968.

LARGE BASS BEING TAKEN IN STURGEON LAKE

During July, two reports of largemouth bass were received by District personnel. The first report was of a 5 pound, 11 ounce fish taken in McLaren's Creek on July 6, 1968, by Craig McLeod. The length of this fish was nineteen and seven eighths inches. A sample of scales revealed the fish's age to be 12 years. This fish had therefore been in Sturgeon Lake since 1957.

On July 27, 1968, a 4½ pound largemouth bass was taken at Snug Harbour by Victoria Szewc of Georgetown. This fish measured 18.2 inches total length and was found to be 10 years old, the same age as the little girl who caught it.

TOGETHERNESS

Mr. T. Jokinen of Bobcaygeon recently returned two fish tags to his person. This event was not especially significant except Mr. Jokinen said he captured two tagged largemouth bass off his dock in Pigeon Lake within minutes of each other. Examination of our records indicated that both these fish had been transferred from Nogies Creek to Walmar Bay on October 19, and, therefore, had apparently stayed together during their 9 months of freedom.

INVESTIGATE NINE ACCIDENTS

Nine traffic accidents were investigated by the Minden detachment of the Ontario Provincial Police between 7.05 p.m. Friday and 8.15 p.m. Sunday August 11. Total damage was estimated at over \$9,000 and three persons were injured.

At 7.05 p.m. Friday, cars driven by Larry Kent, 16, of Minden and Alex J. Hunter, 57, of Willowdale, were involved in an accident on Highway 35, four miles south of Minden. Damage to the Kent vehicle was estimated at \$1,500 and to the Hunter vehicle at \$2,500. Alex Hunter was treated at the Minden Hospital and transferred to a Toronto hospital suffering a broken right shoulder, left knee, and elbow and facial abrasions. Larry Kent suffered minor bruises and abrasions.

At 9.10 p.m. Friday, a one car accident was investigated on Highway 35, three miles south of Ox Narrows. A vehicle driven by Julian Farrugia, 19, of Toronto suffered \$600 damage. No injuries were reported.

At 7.45 p.m. Friday on Highway 121 east of Alsaw bridge, a two car accident involved vehicles driven by Constable David L. Hiltz, 25, of Haliburton and Kenneth Nesbitt, 24, of Lindsay. Damage to the police cruiser was estimated at \$1,000 and to the Nesbitt vehicle at \$800. There were only minor injuries.

At 12.30 a.m. Saturday a car driven by Anthony W. Francis, 17, of Minden, was damaged an estimated \$400 on the Bobcaygeon Road north of Minden. No injuries were reported.

At 4.20 p.m. Saturday cars driven by Alstair S. McDonald, 19, of Burlington and William James Jamieson, 26, of Stouffville, were involved in an accident on the Buck Slide Road near Hall's Lake. Damage to the McDonald car was estimated at \$300 and to the Jamieson vehicle at \$400. No injuries were reported.

At 5.45 p.m. Saturday on the Blairhampton Road, cars driven by William Cowan, 28, of Min-

den and Donald Langlois, 35, of Etobicoke, were involved in an accident. Damage to the Cowan car was estimated at \$200 and to the Langlois car at \$300. No injuries were reported.

At 6.00 p.m. at Harcourt Park, a one car accident caused \$300 damage to a vehicle driven by Normelia Paul, 39, of Toronto. Her pet cat did not survive the accident.

At 5.05 p.m. Sunday two vehicles were involved in an accident at the four corners in Haliburton. One car, driven by William Treleven, 63, of Don Mills, suffered \$400 damage. A vehicle driven by Ross William Cowan, 19, of Haliburton received an estimated \$300 damage. There were no injuries reported.

At 8.15 p.m. Sunday a one car accident on private property resulted in an estimated \$900 damage to a car driven by Jane E. Clement, 20, of Haliburton. The driver suffered injury to her right elbow and was treated and released.

KINSMEN CLUBS TO FEATURE CYSTIC FIBROSIS RESEARCH TREATMENT AT CNE

Over 55 Kinsmen Clubs from central Ontario will spell out the need for support of the Cystic Fibrosis Foundation this year at the Canadian National Exhibition.

The Kinsmen will operate a booth in the Better Living Building, explaining the disease which claims more victims than polio ever did at its pre-vaccine worst. The District 8 Kinsmen Clubs appeal for public funds to operate the Cystic Fibrosis research clinic at the Toronto Hospital for Sick Children.

Cystic Fibrosis is rated as a major cause of death in young children and this year the Kinsmen decided upon a booth at the CNE to make a major portion of the community of Ontario aware of the need for donations. This year's appeal is for \$35,000.

GORDON PEPPER RESIGNS FROM CAS

Gordon Pepper has resigned his position with the Kawartha-Haliburton Children's Aid Society, the CAS board announced Wednesday. Mr. Pepper has been on the staff of the Children's Aid Society for the past 15 years, engaged in assisting children and families in Victoria and Haliburton Counties.

Mr. Pepper is taking over as secretary of the Division Court.

TWO INJURED IN SMALL PLANE CRASH NEAR MINDEN

Two persons were injured and taken to Huntsville hospital Saturday August 10th, when their plane came down on Kawagama Lake about 5 p.m.

The accident is being investigated by Goodbrand of Malton for the Department of Transport.

It is understood the injured persons were from Toronto, Eleanor Monette and Roger Abata.

Minden OPP said to their knowledge there were no fatalities and the investigation was turned over to the Department of Transport.

EMO DISPLAY ATTRACTS MANY AT HALIBURTON

An EMO display of pictures, pamphlets and radiological equipment together with films attracted a great deal of interest at Haliburton Rotary Carnival recently.

James Hall, EMO Co-ordinator for Victoria-Haliburton said the booth attracted hundreds of visitors.

A casualty simulation course is planned for Lindsay starting on September 6 and rescue courses are planned for Haliburton and Minden, commencing September 14 and October 5, respectively. The course of five days' duration is held on successive weekends.

A radiological defence course for school teachers in Haliburton County is planned for October.

SMITH HEARINGS ATTENDED BY MPP AND ASSISTANT CLERK

Victoria-Haliburton MPP Glen Hodgson and Victoria County assistant clerk Byron Rogers Thursday attended a hearing of the Select Committee concerning briefs submitted on the Smith Report in Peterborough.

Assistant clerk Byron Rogers stated the Victoria County delegation received a very sympathetic hearing. He said several members of the Select Committee asked questions about the Victoria County brief submitted in April, 1968.

He said only two or three persons attended on behalf of any one municipality at the hearing.

TOWNSHIP OF STANHOPE MINUTES OF COUNCIL MEETING

Moved by William Cowen, Seconded by Eric Cross, that the minutes of the meeting July 3rd, be adopted as read. Carried.

Moved by Eric Cross, Seconded by Elsie Bursey, be it resolved that a request be made to Dysart, Minden and Sherbourne Municipal Councils requesting a representative from each township sit on the Committee of Stanhope Municipal Aerodrome for the purpose of representing their respective areas.

Requests being or Mr. Ken Langdon, for Dysart, Mr. Joe Peacock for Minden and Mr. Bill Small for Sherbourne. Carried.

Moved by Eric Cross, Seconded by William Cowen, be it resolved that council hold a meeting with the senior officers of the Minden detachment of the Ontario Police regarding the vandalism, thefts, etc. prevalent in the township and to enquire as to what support council can give the Minden detachment. Carried.

Moved by Eric Cross, Seconded by William Cowen, resolved that the Road Superintendent put no parking signs on the Hawk Lake Road. Carried.

Moved by Elsie Bursey, Seconded by Eric Cross, resolved that the resignation of Douglas Adamson, and Fred Olan from Stanhope Municipal Aerodrome Committee be accepted with regret. Carried.

Moved by Elsie Bursey, Sec-

onded by William Cowen, resolved that the accounts amounting to \$828.13, July relief \$95.00, Road Voucher, No. 7 \$28,016.52 be allowed for payment. Carried.

Moved by Eric Cross, Seconded by William Cowen, resolved that this meeting adjourn until Monday the 9th., of September 1968 at 10 O'clock a.m. unless called sooner by the Reeve.

REPORT PREPARED ON FARM ANIMAL WASTE DISPOSAL

A report, stressing the high pollution potential of farm and animal wastes to both ground and surface waters and indicating the various treatment methods now available to farmers, has been prepared in booklet form by the research division of the Ontario Water Resources Commission.

The report represents an initial stage in a research program, established by OWRC, to investigate farm animal waste disposal methods. It touches upon the problems encountered in the handling and storage of the wastes and deals with the implications involved in processing, treatment, and disposal.

The research program has been sparked by the dramatic evolution in the methods of producing farm animals and poultry, in recent years, from the small, individual farm operation to the large scale industrial enterprise. Until recently, farms had not been considered serious sources of water pollution because of the diverse nature of their activities and the comparatively small scale of each unit.

ABOUT THE TOWN

With Jeanne Sears

Fall Fair is here again with genial M.C. Fred Davis of Front Page Challenge to get things going. Several new exhibits are ready as well as those formerly listed. An extensive programme goes on all afternoon.

A Beauty Contest with a 'Flair' and a 'Difference' will be amusing. The Board of Directors are busy ones working from the first of the year planning both the Fair list and the Programme. The Womens Insitute has sponsored a School Exhibit for many years and the Junior Exhibit gives the young people a chance to show their ability. This is a fine fair, the only one in this county so plan to attend and meet your friends and relatives.

The Recreation Centre has been having a sports programme for the young people for the past two weeks. Those in charge being Judy Godin and Louise Pritchard. This was from 9-5 with time for lunch and games and crafts continued throughout.

Further notes about the Hyland Crest, the nursing staff consists of 21 which is quite a number but includes 5 who work only part time and two who are relief staff. There are at the present time about 14 needing bed care and 9 in special care section. The housekeeping staff number 11. The fine service given by the staff is gratifying to all and welcome throughout the County.

A University may transform a sap into a smart man in four years — a clever woman will turn him into a sap in a few minutes.

Several strikes have been settled, but the country, that is you and I, must decide whether essential services should be allowed to strike and hold up every day business. In this democracy, we cherish the freedoms we have, but should we be hindered in our necessary services?

Keep these in the frig — a pint of custard sauce, a pint of cream sauce, grated and cheese. These can be used as needed on fruit, vegetables or casseroles.

A little girl was walking along looking up at the stars and said to her dad "If the bottom of heaven looks so lovely, how beautiful the other side must be."

The stork has visited the village again with a baby girl for Joan and Andy Mackenzie.

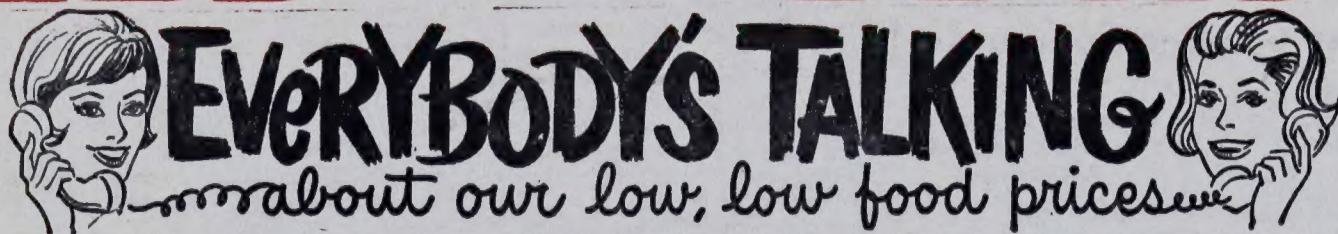

Some people are travelling again, Mrs. Harry Campbell in the British Isles and Mr. and Mrs. Tom Newell, Mrs. Jack Jackson and Judy taking a trip to the East Coast.

Sad about the accident when Leslie Archer was killed by a falling tree. Safety should be a factor on any job, and although precautions are taken sometimes the worst happens. The community are certainly sorry to learn of his death.

The village is still busy even so late in the season. It is very gratifying that the Highlands are so popular and of course we who live here appreciate its beauty and the pleasant people who either live here or visit us.

A rather dull Monday but it can only change for the better, so, Cheerio until next week.
